Dear Professors Wiener and Felgenhauer,

We are very pleased to inform you that your article *The Evolving International Climate Change Regime: Mitigation, Adaptation, Reflection*, was selected for inclusion in the list of Top 20 articles selected for the 2025 [Environmental Law and Policy Annual Review](#) (ELPAR), a joint publication of the Environmental Law Institute's (ELI) [Environmental Law Reporter](#) and [Vanderbilt University Law School](#). The objective of ELPAR is to make some of the year's best environmental law and policy ideas more accessible to policy-makers and practitioners.

The list of the Top 20 articles will be posted on the ELI and Vanderbilt ELPAR websites and shared on social media platforms. In addition, the list will be included in our [annual publication](#) this August. Your article was selected for the Top 20 list from a pool of hundreds of law journal articles on environmental topics published between August 2023 and July 2024. The selection process included review by Vanderbilt law students and substantial input from our expert [Advisory Committee](#) and senior staff at the Environmental Law Institute. Additional information about the ELPAR methodology is available [here](#).
