Re: Grievance File No. 88-43-82

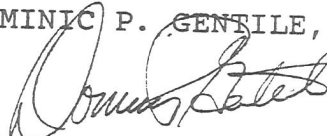

Dear Mr. Howe:

I am in the process of obtaining a copy of the video tape made by the television stations of the news conference you referenced in your letter of March 28, 1988. Since the video tape is a complete record of what I said, I am sure the tape is much better than anything I can put in writing. I should have a copy of the tape within a week and will send it to you for your review.

If you have any problems with this procedure, please let me know as soon as possible.

Sincerely,

DOMINIC P. GENTILE, LTD.
